

Where groups get more and we make it simple

LAUNCHING GET TOGETHER

Here at Churchill Theatre Bromley, we understand that at times lives can get busy and that chasing and collecting monies from your group members can be time consuming.

What if we could take that part of the process away from you?

As the Group Booker, you would still decide what show, the date and performance. We will still confirm prices and seat allocation. However, we could then supply you with a Customer Code and unique Access Code.

Your individual members can then go online, select their seats from the allocation and pay for them.

If this is something you feel would work for you and your group then please do contact our Groups Co-Ordinator Jackie Vaughan on jvaughan@churchilltheatre.co.uk or **020 8290 8225**.

We hope you agree this is truly an exciting opportunity for us to launch this service at Churchill Theatre Bromley.
